

2011 CROWN CITY CLASSIC CO-ED TOURNAMENT INFORMATION

This will be our 7th year of hosting our Co-ed Tournament. It started with high school aged players and after doing some extensive research (basically asking younger siblings at their older siblings Co-Ed game), we found out that the younger ones also wanted to play, so we have expanded our Co-Ed Divisions to including girls and boys entering 5th and 6th grade.

Co-ed has been a lot of fun to host. It's great to see the kids interact with each other on the court and sometimes off the court also. It's a great chance for them to get to know others. A lot of the teams make their own "custom" uniforms, which are usually t-shirts of unusual colors and designs. The process of making these "custom" uniforms has also become a great bonding experience. Below is some basic information regarding our Co-Ed Tournament.
